Submit a Contact Privacy (CP) Request

Navigation:

1. Select: <https://egrcarcher.aexp.com/rsaarcher/apps/ArcherApp/Home.aspx>
2. The Contact Privacy application is located within the Privacy Risk Assessment (PRA) workspace. If you don't already have PRA on your Archer workspace, you'll need to add it.
3. To add the Privacy Risk Assessment (PRA) tab, refer to the Contact Privacy Training Guide.
4. Once you have the Privacy Risk Assessment (PRA) application on your Archer workspace, select the down-arrow to access the Contact Privacy application.
5. Once you've selected Contact Privacy, click on "New" to create a privacy request.

Note: If you are submitting a Contact Privacy (CP) request which is related to a TLM inquiry, please ensure you attach a copy of the following TLM documents to your CP request: [SRA](#) and [Data Types List](#).
